

## **SESSIONS IN KERN LODGE**

### **Brayton Case Room**

#### **SPEAKERS**

**Kathy Sanders** was first introduced to Aglow International in the early 80's. A friend invited her to attend the local Lighthouse meeting and to become a Global Partner. Kathy soon became a Global Partner and never looked back joining the team as the Publicity Chairperson. She also served on the Lighthouse team as a Secretary and as President.

A few years later, she was invited to move on to the Area Team where she served in several capacities. Kathy was serving on the Southeast Texas Area Team as President when she felt a nudge to move to Edmonds, WA, to become part of the Worldwide Headquarters staff of Aglow International. Currently, she serves as the Executive Director of Leader Development.

Kathy has a wonderful gift of humor and wisdom and it is her heart to encourage people to encounter God in ways that not only transform them, but cause transformation in those around them. Because many suffer from an identity crisis that began in the Garden of Eden, Kathy's goal is to see people arise in the fullness of who Christ is in them and who they are in Christ in order to take their rightful places as God's visual aid in the earth.

Kathy says, "It is time for those of us in Aglow and the Body of Christ at large to awaken to the truth that we are the help that God has sent into the earth for our generation. No one else is coming. We must allow His power to flow through us to those around us. It isn't by might, or by power, but always by His Spirit and He has equipped us to arise like Esthers and Deborahs, Davids and Calebs, Peters and Pauls. We are well able because we know our God and who He will be for us in every situation we face. We go from victory to victory!"

**Dana Enright** is a vibrant prophetic speaker and encourager with a powerful testimony. As Regional Director for the North Central Region of Aglow International and a member of Aglow's U.S. National Leadership Team,

Dana travels frequently to share God's Word. She weaves her testimony, including her difficult growing up years, with later experiences living in Israel in the 2006 summer war with Hezbollah forces. They stood on God's Word to bring healing and restoration during very difficult times.

Her life is a testimony to God's goodness and faithfulness. From her own experiences, Dana is vigorously pro life and has a special place in her heart for young, single moms. Her love for the Lord and His people resonate mightily as she calls people up into their true identities, as God created them to be.

Dana and her husband, Ron, live in Wisconsin where they enjoy their five children and grandchildren in the U.S., as well as traveling to Israel as often as possible to see their son's family who live there.

**Sue Volkert** has been the Aglow International State Prayer Coordinator for Wisconsin since 2008. God has gifted Sue with a heart of intercession and a strong faith and hope for Him to have opportunity to work in the most impossible of situations. She is a blessed mom of 11 children and 20 grandchildren.
